

# North Plains Elephant Garlic Festival

Dear Sponsor,

The North Plains Events Association, a non-profit organization, is preparing to celebrate the 24th annual Elephant Garlic Festival, August 12, 13, 14, 2022; this year's theme is "Our Star is Reborn"

The Elephant Garlic Festival attracts people to North Plains from all over the world and generates continued growth and enthusiasm for our community. This three-day festival is North Plains' "**Signature**" event; it immerses people in a diverse selection of entertainment, food, arts, music and **GARLIC**. Some highlights of the festival are:

**Handcrafted Art**

**Various Food Booths**

**Music & Entertainment**

**Beer & Wine Garden**

**Parade**

In 2021 the Elephant Garlic Festival was well attended festival despite the hurdles we had to jump over. We attribute the success to you, our sponsors, who make this festival as great as it is year after year with their support. Our vendors and our festival attendees let us know every year that they so appreciate the work and effort that goes into making this event so successful.

The festival is a collaborative effort between the North Plains Events Association and the City of North Plains. Organizations such as the North Plains Knights of Pythias and the North Plains Christian Church provide numerous volunteers who make this premier festival possible. The festival proudly supports the local economic community, as well as charitable organizations and gives back to the community through the success of this wonderful event.

As we continue to strive to make each year better, we must reach out to you for your financial support. We know that these past year's have been overwhelmingly hard for everyone and your sponsorship is important and will allow us to continue creating an atmosphere that is fun, positive and family friendly. We are very proud of our festival and we welcome the opportunity to highlight your business during this year's event.

Great community partners are integral to the success of our annual festival, and it is because of individuals and businesses like you that we have been able to continue our mission for over 24 years.

The North Plains Events Association would appreciate your financial support for the 2022 North Plains Elephant Garlic Festival. ***Our success is your success.***

Sincerely,

Patti Burns
